

Payzone

NOTICE: PREPAID VOUCHERS AND CARDS

Individuals may phone or visit stores claiming to be a Payzone representative; asking staff to print prepaid vouchers and cards.

Payzone will never phone or visit a store and ask you to print a voucher

Do not print or communicate voucher numbers to anyone on the phone. If you are asked to do this, please notify the Payzone on 0818 882 600.

Payzone strongly recommends you **only accept cash for prepaid vouchers and cards**. You should always collect the cash before the transaction has been completed. You should not accept any swipe and sign cards for these transactions.

If you do accept cards that have been swiped or signed you should check the following:

1. The signature on the terminal receipt matches the signature on the card
2. The card number that prints on the receipt matches the number on the card
3. The last 4 digits on the terminal receipt matches the number on the card
4. Check the plastic card for any sign of counterfeit manufacture

If you are ever unsure, call Payzone immediately on 0818 882 600
